DATE OF BIRTH
06-10-1980

NATIONALITY
Indian

TECH SKILLS

Communication skills

AI/ML and Biometrics

Teaching qualities

LANGUAGES

English

Malayalam

Tamil

Profile

PhD scholar specializing in cattle biometrics, with research focused on the recognition and identification of cattle using biometric traits in real-world environments. Additionally experienced in pose-invariant human face identification, contributing to robust biometric solutions across both animal and human domains.

EXPERIENCE

Lab Instructor at Mar Gregorious College of Arts and Science, Chennai

JUNE 2021 – OCTOBER 2021

Worked as a Lab Instructor in the Computer Science Department and handled programming languages for all the semester students.

Lecturer at CMRIT College of Technology, Bengaluru

SEPTEMBER 2004 – OCTOBER 2005

Developed interactive pedagogy for subjects like Simulation, Software Engineering and Computer Architecture. Responsible for achieving passing rate of 100% and was appointed as an external examiner for final year projects.

Lecturer at Magna Engineering College, Chennai

FEBRUARY 2002 – MAY 2004

Planned, designed and rendered technology lessons as per curriculum to over 200 students, incorporating interactive activities. Collaborated with teachers, lecturers and professors to allow technology integration in-class lessons for use in computer classes.

EDUCATION

Master of Engineering – Computer Science Engineering, Loyola-ICAM College of Engineering and Technology, Chennai.

NOVEMBER 2023

CGPA - 9.1

Bachelor of Engineering – Computer Science Engineering, St. Peter's College of Engineering, Chennai.

SEPTEMBER 1997 – MAY 2001

Graduated with First Class

High School Graduate, M.G.R Adarsh Matriculation & HSS, Chennai.

PASSED OUT IN MARCH 1997

Graduated with 88% in Higher Secondary Examinations. Graduated with 81.8% in SSLC.
