Education

Indian Institute of Information Technology Design & Manufacturing Kancheepuram, Chennai, Tamil Nadu Master of Technology, Computer Science and Engineering	Aug 2023 – July 2025
University Institute Of Technology, Barkatullah University, Bhopal, Madhya Pradesh Bachelor of Engineering, Computer Science & Engineering	Aug 2019 – July 2022
Sardar Vallabhbhai Polytechnic College, Bhopal, Madhya Pradesh Diploma in Computer Science & Engineering	Aug 2016 – Jul 2019

Academics Experience

Indian Institute of Information Technology Design & Manufacturing Kancheepuram, Chennai, Tamil Nadu Teaching Assistant	Aug 2023 – May 2025
--	---------------------

- Supported undergraduate courses as MTech Teaching Assistant across four academic semesters.
- Handled evaluations, grading, Moodle issues, and coordinated effectively with faculty members.
- Conducted lab invigilation, viva sessions, assignment evaluations, and provided technical support.
- Assisted students with programming concepts, resolving doubts, hardware and software issues.
- Managed attendance, exam invigilation, records, and ensured timely academic updates consistently.

Academics Projects

Robust Pedestrian Detection in Challenging Environments Using YOLO Master of Technology Thesis Project	Aug 2024 – May 2025
--	---------------------

- Developed pedestrian detection models under low-visibility conditions.
- Utilized 50,000 images including self-collected and comparative datasets for training and evaluation.
- Trained YOLOv9s to YOLOv12s models on custom foggy and rainy datasets.
- YOLOv10s achieved highest accuracy, while YOLOv11s showed fastest convergence performance.
- Achieved Precision 0.96, Recall 0.89; ensured efficient and scalable edge AI deployment.

Academic Achievements

- GATE (CSE): Qualified, Score: 258, AIR (In this paper): 20376 (2022)

Key Skills

- Subject Knowledge:** Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks, Computer Organization
- Programming & Web Technologies::** C, C++, Python, Java, HTML, CSS, JavaScript, SQL
- Domain:** Web Development, Data Science, Artificial Intelligence & Machine Learning
- Teaching & Academic:** Lesson Planning, Presentation Skills, Student Doubt Support, Lab Assistance, Evaluation Support
- Soft Skills:** Clear Communication, Time Management, Adaptability, Team Collaboration, Willingness to Learn
